ASSEMBLY

Unhook Clip and unfold Frame as shown.

Place Spacer on Axle followed by Wheel and Nylock Nut. Repeat on other side.

Secure Wheels at this time using the two included wrenches. Use second wrench to hold Nylock Nut on opposite side while tightening. **Do not overtighten.**

Unfold basket as shown. Attach using hangers on basket. Fold Basket and place in Shopping Cart for storage.

OPERATION AND USAGE

When approaching curbs, cracks, or large objects, tilt the cart back to lift front wheels off the ground to avoid hitting the swivel wheels.

Unhook Clip and unfold Frame as shown.

Fold Shopping Cart and secure with Clip for easy storage.

WARNING:

Do not use the frame and/or handle for balance or support. Exerting too much force can cause the cart to break resulting in damage to the cart and/or injury to you. Do not use for transporting humans or pets. The Gleason Group of Companies is not liable for any damage to personal property and/or personal injuries caused by improper use.
